Ushuaia, jueves 21 de septiembre de 2023

VISTO: la Resolución de Presidencia OSPTF N° RP-1028-2023; y,

CONSIDERANDO:

Que a través de la misma se autorizó al llamado a Licitación Pública N° 08/2023, referente a Convenio Marco Abierto tendiente a la provisión de medicamentos Plan Diabetes y Eculizumab (vial) 300mg.

Que del punto "3º Objeto de la Contratación" referente al ANEXO I "pliego de bases y condiciones particulares" se cometió un error involuntario al momento de la redacción que hace necesario aclarar a los efectos de incluir la mayor cantidad de proveedores a la compulsa de precios.

Que la modificación requerida es a los efectos de mantener vivo el espíritu de la Licitación Pública N° 01/2021, la cual ha permitido el acceso a grandes grupos de proveedores entre ellos laboratorios, distribuidoras y droguerías lo que significó una herramienta indispensable a la hora de adquirir medicamentos.

Que no realizar la presente modificación en referencia a los requisitos para presentarse a la presente compulsa, perjudicaría entre otros, a aquellos proveedores que ha confiado en la Obra Social mediante la Licitación Pública N° 01/2021, inclusive aún en momentos donde la situación País, no ha sido la mejor, demás esta mencionar el grave inconveniente con la divisa extranjera, lo que provocó un desequilibrio en los mercados con un impacto más notorio en la salud donde solo en Agosto 2023 los productos importados han sufrido una inflación de más del treinta por ciento. (30%).

Que así mismo y tal se verifica del ANEXO I Pto. "20º. FORMULARIO DE COTIZACIÓN" se omitieron los stock mínimos a los efectos de tener referencias en cuanto a la tasa de uso en referencia a cada insumo de manera individual, destacando nuevamente que las cantidades son orientativas y son el piso en cantidades que los proveedores deben respetar a la hora de que nazca la necesidad por parte de la OSEF, pudiendo variar en más o en menos.

Que siguiendo la línea del párrafo anterior surge necesario incluir tres insumos más a los efectos de dar respuesta al CIENTO POR CIENTO (100%) de los requerimientos que en la actualidad utilizan nuestros beneficiarios.

Que la suscripta se encuentra facultada para el dictado del presente acto administrativo, en virtud de las atribuciones que le confiere el Art. 7º de la Ley Provincial N° 1071 y Decreto Provincial N° 674/2020.

Por ello:

LA PRESIDENTE DE LA OBRA SOCIAL
DE LA PROVINCIA DE TIERRA DEL FUEGO

RESUELVE:

ARTÍCULO 1º.- Emitir la Circular Modificatoria N° 01, la cual modifica los puntos 3ro, 20mo e incluye el punto 21ro. del ANEXO I de la Resolución de Presidencia OSPTF N° RP-1028-2023, según ANEXO I que forma parte integrante de la presente.

ARTÍCULO 2º.- Registrar, comunicar a quien corresponda, dar al Boletín Oficial de la Provincia. Cumplido, archivar.
